DecisionOne Dental Plan is NOT INSURANCE, but rather a licensed dental savings plan offered through your local dental office. Members in good standing with their annual membership fee are eligible to receive transparent, member-only discounts from the normal retail fees that participating offices typically charge self-pay patients for dental services rendered. Plan details and member savings are exclusive to participating offices and may vary by location. The plan is not a qualified health plan under the Affordable Health Act. The plan does not meet the minimum creditable coverage requirements under MGLC.111M and 956 CMR 5.00.
